Parrot Heads of North Carolina

The Parrot Heads of North Carolina is officially chartered with Parrot Heads in Paradise, the Arizona based headquarters of the National Jimmy Buffett Parrot Heads Clubs Association. The PHofNC embraces the following statement of purpose:

The Parrot Heads of North Carolina was created to promote friendships and social activities for people with similar interests including enjoyment of the tropical spirit of Jimmy Buffett's music. We encourage our members to participate in a variety of volunteer efforts in the local, regional and national community for social and environmental causes. In the process of making new friends and having fun, we believe in leaving something positive behind. Our club is open to anyone with the tropical spirit and desire to contribute to the betterment of their communities. PHofNC is recognized and supported by Jimmy Buffett and his business interests in Key West and New Orleans. We are not associated with HK Management, MCA Records or Margaritaville Records.

Your membership fee or any contributions made to the PHofNC are not deductible as a charitable contribution for federal income tax purposes.
